SB 2865
MAKING AN APPROPRIATION FOR THE DEVELOPMENT OF A COMPREHENSIVE
STATEWIDE SHORELINE PUBLIC ACCESS PROGRAM

Statement for
Senate Committee on
Tourism and Recreation
Public Hearing - February 18, 1988

SB 2865 addresses the need to develop a comprehensive statewide public access program to manage and protect ancient highways, trails, and other public easements.

The Environmental Center submitted the attached statement on companion bill HB 3237 to the House Committee on Water, Land Use, Development, and Hawaiian Affairs. Our statement remains applicable to SB 2865.
